A wide-angle photograph of a sunset over a calm body of water. The sky is filled with soft, orange and yellow clouds, reflecting on the water's surface. In the foreground, a dark metal railing runs diagonally across the bottom right corner. The water is dark blue with gentle ripples. In the distance, a low, dark shoreline is visible under the twilight sky. A calendar for July 2020 is overlaid on the left side of the image.

A scenic view of the sea at sunset or sunrise. The image is framed by dark, silhouetted pine branches in the top left corner. The sun is low on the horizon, creating a bright, shimmering reflection on the water's surface. The sky is filled with soft, grey clouds. In the distance, a small, dark island is visible on the horizon. The water is a deep blue, with gentle ripples across its surface.

A photograph of a snowy landscape. The ground is covered in a layer of white snow, which appears slightly uneven and textured. Several fallen autumn leaves are scattered across the snow. One prominent leaf is in the center-left, showing a mix of brown and orange hues. To its right, there are two more leaves, one of which is a darker brown. In the upper right, another leaf is partially visible. The background is a vast, flat expanse of snow, with some faint tracks or indentations visible. The overall scene is quiet and wintry.
